Grants

The HPPF is the grant seeking arm of the Hanover Park Park District. With a project budget of \$750,000, the most recent major grant received was for the redevelopment of Heritage Park. The grant was obtained through the Illinois Department of Natural Resources.

Mexican Independence Day

This event not only celebrates the independence of Mexico but is a Foundation fundraiser providing support of our Scholarship Program. Monies are raised through HPPF partnerships with local businesses and community leaders as well as ticket and vending sales. All are welcome at this community celebration.

The Living Tree Memorial

Commemorate a birth, celebrate a birthday, honor a friend or remember a loved one by giving this unique gift. The Living Tree Memorial program of the HPPF partners with the Hanover Park Park District in their effort to continue to add trees to our community yearly to enhance natural beauty. A variety of trees are available for planting at various locations. Tree prices begin at \$450 and include a bronze plaque to be placed at the base of the tree.

Park Enhancement Program

Open space and recreational play areas are vital parts of our community. The beautification and maintenance of parks is costly and is often where the majority of tax dollars fall. HPPF gives assistance to the Park District to provide additional park trees, playground and outdoor leisure equipment so that outdoor education, environmental education, wildlife play and wetland activities for Hanover Park Park District residents can be at its best.

Contributions

HPPF welcomes contributions and donations of all kinds including, land, property, cash and in-kind gifts. Donors can restrict their gift for a specific purpose, or simply make a tax-deductible donation to the Foundation's general fund.

HPPF Endowment Fund

Strengthen community ties by providing funding to scholarship programs for disadvantaged families in the Hanover Park community. Assist the Park District in its mission to provide recreation and leisure services to all its patrons.

Cash Contributions: Donations from other foundations, organizations, corporations, or individuals are accepted and are essential in assisting the HPPF in ensuring that the Foundation serves its support purpose. All cash contributions are deductible.

Insurance Policies: If you are no longer in need of an insurance policy and would like to donate it to the HPPF Endowment Fund to help provide services to your community you can! Policies are considered tax deductible.

Real Estate Donations: Gifts for investment purposes or for new Park District property is an excellent way to make a permanent gift to the community. Donations are deductible, however government rules do apply.

Securities: Stocks, bonds, annuities, and all other types of securities are accepted and would be a great assistance in helping HPPF with future investments.

Wills and Trusts: Continue living your life through the parks. Real estates donations, bequest of personal property, insurance policies, or cash contributions have become community supporter's way of carrying on after they are gone. One can support their community through these types of donations. Arrangements would need to be made by an attorney.
