PRESCHOOL MISSION STATEMENT

The Hanover Park District's Preschool program provides a safe and nurturing learning environment to encourage the progression of socialization skills, motor skills, and emotional development while encouraging independence, self expression and listening skills. Our students are prepared for kindergarten through the learning areas of numbers, math, letters, writing, reading, colors and shapes.

PRESCHOOL

Little Learners

Classes emphasize socialization and learning through play. Students are exposed to creative art expression, singing and rhythm activities, body movement, stories, free play, name recognition, fine motor skills, and activities related to every day math, science, and language discovery. This class is a great opportunity for your child to get ready for Pre-Kindergarten. Class maximum: 16 students.

Dates: September 2010 – May 2011
Age: 3 years old as of September 1, 2010

Pre Kindergarten

Classes emphasize kindergarten preparation. These areas consist of size, color and shapes, numbers, reading and readiness, following directions, time, listening skills, and social-emotional development. Teachers will introduce the alphabet, addresses, phone numbers, and name writing. Classes are designed for the child entering kindergarten in the fall of 2011. A graduation celebration will be held at the end of the school year. Class maximum: 16 students.
