

Dear Community Hero,

The Hanover Park Park District Soccer League is reaching out to you for your support in our upcoming season. Our league is an important part of our community, providing children and families with a safe and fun environment to play soccer and make lasting memories.

We strive to keep registration fees low and rely on your generosity to cover equipment, jerseys, and field maintenance costs. With a goal of \$10,000, we aim to provide our young players with an exceptional experience, please help us achieve our goal and make a positive impact on the lives of our community's youth.

We have different donation levels to fit any budget:

- **Bronze Sponsorship:** A donation of \$250 will provide equipment for two players, including soccer balls, cones, and practice vests.
- **Silver Sponsorship:** A donation of \$750 will cover the cost of additional soccer equipment and a field sponsor banner that will be prominently displayed during our games. This sponsorship will allow us to purchase more equipment for our players, such as agility ladders, speed cones, and more.
- **Gold Sponsorship:** A donation of \$1,000 will help maintain one of our soccer fields, keeping it in top condition for our players and their families.
- **Platinum Sponsorship:** A donation of \$5,000 will cover the cost of all of our teams' jerseys, and your business will be recognized as our official jersey sponsor. Your business logo will be prominently displayed on the front of each team's jersey, providing valuable exposure to our community.

Of course, any donation amount is appreciated and will go directly towards supporting our league and the children who participate in it.

As a community supporter, your business will be recognized on our league's website, social media channels, and at our games. Additionally, we will provide your business with a plaque to proudly display in your office, showing your support for our community's youth.

Thank you for considering sponsoring the Hanover Park Park District Soccer League. Together, we can help provide children with the opportunity to learn, grow, and succeed both on and off the field.

Sincerely,
